CTE MOMENTUM

CAREERS IN YOUR COMMUNITY CHALLENGE

Careers in Your Community

Team name

Name of team's school that is eligible for Carl D. Perkins funding

Your unique 12-digit NCES public school ID

School website

School street address

School city

School state

School zip code

School type

☐ Public

☐ Private

Grades served by school

Number of secondary students enrolled in the school

Number of secondary CTE students enrolled in the school

Percentage of total students enrolled who qualify for free and reduced-priced lunch programs under the Richard B. Russell National School Lunch Act (42 U.S.C. 1759), as amended through P.L. 116-6

Is your school collaborating with any other schools on this submission?

☐ Yes

☐ No

CTE team lead name

The CTE team lead serves as the primary point of contact for the challenge and will be responsible for submitting the team's solution. The team lead must be a CTE teacher, CTE coordinator, or CTE director employed by the submitting team's school and be at least 18 years of age.

CTE team lead role

CTE team lead phone number

CTE team lead email address

Student engagement. Describe the team members, the CTE programs they are part of, and their roles in creating the solution. 350 words

CTE connection. For each CTE program described (in the question above), select the corresponding Career Cluster.

- ☐ Agriculture
- ☐ Advanced Manufacturing
- ☐ Arts, Entertainment, and Design
- ☐ Construction
- ☐ Digital Technology
- ☐ Education
- ☐ Energy and Natural Resources
- ☐ Financial Services
- ☐ Healthcare and Human Services
- ☐ Hospitality, Events, and Tourism

Title. Share the title/name of your solution.

10 words

Elevator pitch. Provide a brief description of your solution.

50 words

Solution overview. Introduce your solution and describe how it would equip students to explore in-demand careers and other postsecondary opportunities.

200 words

Community connection. Describe the local career and postsecondary opportunities available to students after high school, and how you engaged with external organizations to understand them. External organizations may include, but are not limited to employers, postsecondary institutions, and community organizations.

350 words

Career pathway knowledge. Describe how students in your school explore careers, and any barriers they face. These may include but are not limited to gaps in access to information, guidance, and employer connections.

200 words

Impact. Describe how your solution would address the barriers identified above and improve how students at your school explore in-demand careers and postsecondary opportunities.

200 words

Feasibility. Describe how you might implement your solution and what resources you would need. Consider the time, expertise, technology, and funding that may be necessary, as well as any barriers you might face.

200 words

Video. Create a video that demonstrates your solution.

Note please share a YouTube, Vimeo, or file-sharing link. Videos should be no longer than 60 seconds and be in landscape orientation. Please make this link viewable to anyone with access, as otherwise it cannot be judged. For each student shown in the video, please ensure you have a signed release statement on file that contains permission to use the student's image. Video production quality will not be assessed.

Please link to your video here

Permission statement. Please have your school's principal or a district-level administrator sign off on this submission by sending an email to the team lead stating permission to participate. Examples of a district-level administrator include the superintendent, assistant superintendent, curriculum development coordinator, or district CTE coordinator. For a sample email template, visit the [resources section](#) of the challenge website.

Note that if your school is collaborating with other schools on the submission, each participating school on a team must be listed on the permission statement. If you encounter issues, please email hello@ctemomentum.com with your browser name and the error message, and include the form as an attachment. (.pdf, .doc, or .ppt required)

Upload the permission statement here.

Please share how you found out about the Careers in Your Community Challenge

- ☐ Direct email from district/school
- ☐ Direct email or newsletter from the CTE Momentum team (Luminary Labs)
- ☐ Social media
- ☐ Colleague/friend
- ☐ Other

☐ I have read and understand the official rules, terms, and conditions and fully agree to them.

☐ I represent a school that meets all eligibility criteria as stated in the official rules, terms, and conditions, including the requirement that my school is eligible for Carl D. Perkins funding.

☐ I confirm that I have all clearance and rights from my school's and/or district's administration to share students' images.

☐ I acknowledge that the permission statement was written by the principal or administrator named in the statement.

☐ I confirm that I am a CTE teacher, CTE coordinator, or CTE director at the high school submitting this solution.
